This application was received by the Department of Water and Environmental Regulation (DWER) on 2 February 2017.

A draft works approval was provided to you on 25 January 2018. After considering the comments you provided on 12 February 2018, I have granted the attached works approval subject to the conditions prescribed in the instrument. The attached Decision Report sets out the reasons for my decision.

In accordance with section 102(1)(c) of the EP Act, if you are aggrieved by my decision to specify conditions in the works approval you may lodge an appeal with the Minister for Environment in writing, setting out the grounds of that appeal, within 21 days of this notification. Should you wish to lodge an appeal, please contact the Office of the Appeals Convenor on 6567 5190 or by email at admin@appealsconvenor.wa.gov.au.

Under section 102(3)(a) of the EP Act, third parties aggrieved by this decision are also entitled to lodge an appeal against the conditions of a works approval. Under section 102(4), the conditions of the works approval remain in effect pending the determination of any third party appeals.
